- Brand licensing and franchising
- Agency and distributor agreements
- Commercial contracts and terms of business
- Advertising, marketing and brand endorsements
- E-commerce, IT and software
- Data Protection, privacy and GDPR
- Supply chain and international trade
- Ethical and Modern Slavery compliance
- HR, immigration, employee matters and employee incentives
- Concessions, shop in shop and retail stores
- Structuring your business and advising on external funding and investment options
- Debt recovery and dispute resolution

## Protecting your business and allowing you to increase profit by:

- Making sure your commercial contracts are robust and protect you
- Registering and protecting your intellectual property (IP)
- Providing training to you and your team
- Helping you avoid and deal with regulatory and compliance issues e.g:
  - Modern Slavery Act
  - Consumer Rights Act
  - Data Protection issues
- Helping you to attract and retain new talent by drafting contracts and structuring incentives correctly
- Resolving all types of disputes when they arrive in a cost-efficient and pragmatic way:
  - Getting invoices paid
  - Issues with suppliers
  - Employee disputes
  - Shareholder disputes
  - IP infringement
