# Helping your business to navigate the world of commerce

# Clear and commercial guidance

Like a road map, a well-written contract gives its users confidence and certainty; clearly signposting where to go next; flagging risks and protecting its users.

Whether you're venturing into a new area for the first time, revisiting an existing business relationship or planning the best route to market, HRC Law's Commercial Team can give your business the legal support it needs to get where it wants to be.

# Let's get this show on the road!

Your success is our business. By better understanding your business, together we can put in place documentation to keep you on track. Creating written agreements will also help you to focus on what you want and need from each contractual relationship.

We can help not only with contractual drafting, negotiating or simply explaining, but also with big picture commercial issues and decision making.

Having worked extensively in private practice and in-house (in the City and the North West) Head of Commercial, Graham Hansen, knows what it takes for your business to flourish.

He'd love to talk to you about what legal support we could provide. Please get in touch with him to find out more on: T: **0161 358 0552**; or at E: **[grahamhansen@hrclaw.co.uk](mailto:grahamhansen@hrclaw.co.uk)**
