Prescription for buying or selling a pharmacy business

Our lawyers have dispensed legal support and advice to individuals and companies in your sector for many years. We've acted for the likes of Lloyds Pharmacy, Well Pharmacy and CSPC (amongst others), act for single site and multi-site operators, and have advised on over 150 pharmacy transactions.

Over-the-counter solutions can sometimes be the easy fix. Buying and selling a pharmacy isn't one of those times. You may be well-prepared; even so, you will encounter inevitable twinges.

We don't profess to offer a cure all. What we can say is that your symptoms will be ones with which we're familiar. We'll know whether a sticking plaster is appropriate; and when a dose of something stronger is necessary. Let us help you. Let us give you the boost you need to optimise your position in the buying or selling process.

Consultation

Like you, we have years of training and experience under our belts. The earlier we see you, the more able we are to spot and deal with potential issues. Where you'd like us to, we can recommend other professionals with expertise in your sector (such as sales agents or financial advisers), to help you with your transaction.

Timing

If you're buying or selling the assets of a pharmacy business, as opposed to the shares of a company, NHS England change of ownership consent will be required. We can offer solutions and assist with this.

Legal Health Check

If you're buying a pharmacy, it's critical to ensure you know everything there is to know about it. If you're selling, you'll have to provide certain contractual protections to the buyer relating to the business. We will assist you with these and ensure that you are adequately protected. Given our extensive experience in this sector, we know what to look out for during legal due diligence and can guide you through this process.

If you'd like an obligation-free discussion about how HRC Law could help you to buy or sell, or support with any other legal issue connected to, your pharmacy business, please contact Rick Life, Commercial and Corporate Partner, on 0161 358 0429 or email him at: richardlife@hrclaw.co.uk.
